

ALEJANDRO LOPEZ

Developer | AWS Certified

C: 602-332-9801 • a.lopezcr9@gmail.com

2025 E Campbell Ave Phoenix, AZ

"I am passionate about what I do and always give 100%. When I undertake a project or task, I go the extra mile and use the opportunity to expand my knowledge."

CAREER OBJECTIVE

I'm an upcoming graduate who became drawn to Software Development while learning about Cloud Computing. I've dedicated myself to absorbing all the knowledge I can about web development, cloud services (AWS), and tying it all in with my IT knowledge. I thrive in environments that constantly embrace new technologies. Fluent in English and Spanish. Actively looking for associate / junior opportunities.

Skills include:

Web Development / Cloud Computing / Testing, Debugging & Documentation / Virtualization / DevOps / IT Fundamentals

TECHNICAL SKILLS

Programming:	JavaScript, HTML, CSS, Bootstrap, React, Python
Cloud Services:	AWS CSA (Certified Solution Architect) Click Here
Software:	IDE's, VMWare, CLI, VSCode
Other:	Windows, Linux / Unix, Cloud Services

EXPERIENCE

Lincoln Heritage Life Insurance Co, Dec 2015 – Current

Underwriter

- Processing, reviewing, and approving of life insurance policies. Critical focus on attention to detail.
- Develop UI sections using HTML/CSS to display relevant information to associates on internal intranet.
- Audits, reports, quality assurance, training, and providing employee feedback to team members.

Grand Canyon University, Aug 2015 – Dec 2015

Tech Support

- Provided technical support for online / on-campus students.
- Dealt primarily with online / browser "Student Portal" troubleshooting and servicing.
- Provided additional support with software usage such as Adobe, Microsoft, and Operating Systems

EDUCATION

Arizona State University / B.S, Information Technology

Aug 2016 - May 2020: Tempe, AZ

- Followed my passion in a core of programming, IT, and cloud computing classes.
